

# Aleksa Vučković

## Profile

Passionate and aspiring software engineer with a relentless love for problem-solving. With a track record of hard work and talent, I've successfully tackled complex coding challenges and delivered innovative solutions that optimized performance and efficiency.

## Education

**Bachelor of Science in Software Engineering, University of Belgrade School of Electrical Engineering, Belgrade**

2020 — 2024

As an aspiring software engineer, I have consistently demonstrated exceptional aptitude and dedication in the field of computer science. My academic journey is characterized by a perfect 10.0 GPA, a testament to my commitment to mastering the theoretical foundations of software engineering. I have consistently ranked among the top students in my class, earning recognition as one of the best-performing students.
